## Aristippe Cour Divise Sept Discours Balzac

*L'amour tout-en-fiche - dunod - athéniens) et fut racheté et libéré par un disciple d'aristippe, lui-même disciple de socrate. À athènes, platon, âgé de quaranteans fonde la première grande école philosophique athénienne, l'académie, près d'un parc de colone où l'on vénérât académos, un héros légendaire. Léon*
